

Children's Champions – providing hope for families who have no hope

The children of Darfur, Sudan, desperately need your help. Mothers are struggling to feed their families. Many are surviving on one scant meal a day. Over a million children are unable to go to school in Sudan. Healthcare across the country has collapsed.

This is why we are asking you to become a **Children's Champion**. By promising to support a project of your choice, families will know help is available. They have given up hope in the international community – but not in Kids for Kids.

**We don't believe in charity
We believe in helping people to help themselves**

Be a Champion – choose your project and promise to support it for 3 years. Our aim is to adopt as many villages as we can each year and to introduce all our integrated projects to each so that there is healthcare, veterinary care, animals so that when the crops fail they can diversify, mosquito nets, blankets, education – and, most important of all, clean water.

Families will know that they will be able to look after their children. Kids for Kids would never let a child down. When you have so little every one of our projects makes a tangible difference.

Children's Champions - Changing Children's Lives Forever

For the Greatest Need

£500 p.a. for 3 years will enable us to provide emergency aid to save lives whatever the Greatest Need.

Give Goats for nutritional milk

£600 p.a. for 3 years will give 6 families 5 Goats each to provide milk for their malnourished children. After 2 years, 5 offspring will be passed on to another family to benefit.

Train a Midwife to Save Lives

£2,000 p.a. for 3 years will help us train 3 midwives at a time when healthcare has collapsed across the country. You will be helping to save the lives of mothers and babies.

Install a Handpump

Handpumps cost £6,500 each. Could you sponsor three? Each will bear the name of your choice. Children should never have to walk miles for every drop of water. **Or sponsor 1 handpump across three years. £2,200 a year.**

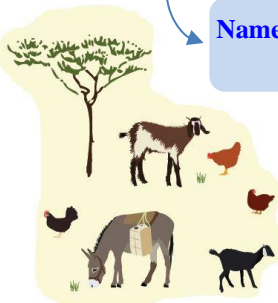

Have your own Kindergarten

A Kindergarten currently costs £20,000 to build. Sponsor 1 Kindergarten each year for 3 years, or help us to build one over 3 years. A Kindergarten is every mother's dream in Darfur. **One Kindergarten = £6,600 a year.**

Adopt an entire Village

For £30,000. £10,000 a year for 3 years will enable us to introduce our whole package of sustainable projects – Goats, Donkeys, a Handpump, mosquito nets, jerry cans and much more.

Name your Handpump, Kindergarten or Village and leave a lasting legacy

I wish to become a Children's Champion and Change the Lives of the forgotten Children of Darfur long-term...
