# Your Christmas Gifts will Save Children's Lives this Year

As Christmas approaches, please think of the thousands of children in Darfur who are suffering from the violence that began in Sudan nearly three years ago.

Darfur is the 'forgotten crisis'.

Children are starving and thirsty. No help had reached any of the remote villages across the whole of Sudan.

We knew we had to help.

**Despite their own difficulties, Kids for Kids' wonderful volunteers in Darfur are providing emergency help right now.**

Children who have been surviving on animal feed urgently need proper food. Our **Kids Kitchen Kits** include pulses, fresh vegetables, groundnuts - essential proteins, minerals and vitamins that children must have to be healthy. With your help, we can also provide items which will take families forward beyond the rains and into next year - **Seed to Plant, Food to Eat and many more of our sustainable projects, giving them real hope for the future.**

As you gather with family and friends you will know that your **Christmas Gifts are a lifeline** for little ones.

# Our Christmas Certificates make the Perfect Gifts

This Christmas, celebrate the real tradition with gifts that keep on giving, for those who need it most. With every item you give to a child in Darfur, we will send a beautiful **Christmas Certificate** to your loved one on your behalf.
