## This Christmas, Give a Gift That Saves a Life

As families across the UK prepare for a joyful festive season, thousands of children in Darfur, Sudan, are facing a devastating reality: famine, starvation, and preventable deaths. In the past six months alone, child starvation in Darfur has risen by 46%.

When you give a Kids for Kids **Gift Certificate** this Christmas, you provide lifesaving, nutrient-rich food to families in Darfur – whilst giving your loved ones a truly meaningful gift.

A Sack of Seed for a family to plant for  
next year's harvest £15

Two mosquito nets to protect against  
malaria £18

A Kids Kitchen Kit to provide nutritional  
food for children five and under £25

A Goat for protein-rich milk for  
starving children £50

Sort your Christmas Gifts now and order our beautiful, personalised  
Certificates to be sent digitally or by post – perfect to slip under the tree!
